COMMUNICATION RE: STATEMENT ON SUBSTANCE OF THE INTERVIEW

**Mail Stop Amendment**  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Examiner contacted Applicant's Representative, Ann Mueeting, to discuss filing a Terminal Disclaimer over U.S. Patent No. 6,790,411 and U.S. Patent Application No. 10/890,612 to overcome the obviousness-type double patenting rejections. The Examiner also discussed allowing the application upon entering the Terminal Disclaimer. Applicant's Representative points out that the obviousness-type double patenting rejection over U.S. Patent Application No. 10/890,612 is provisional, and that the application is still pending. Therefore, Applicant's Representative believe that the provisional rejection will be removed. Applicant's Representative submit herewith a Terminal Disclaimer over U.S. Patent No. 6,790,411.

## Communication Re: Statement on Substance of the Interview
